The Cambria Chamber of Commerce is organized to advance the general welfare and prosperity of and to encourage tourism and commerce to the Cambria area so that its citizens and all areas of its business community shall prosper.

A Chamber of Commerce is the energizing and vitalizing force of the community, seeking to unite all of the industrial, commercial, professional, and civic interests for the purpose of promoting the welfare of the area. It provides an organization whereby business men and women, professionals and other interested citizens can unite to improve the entire community and exhibit their pride in Cambria.

By joining, and being active you can help contribute to the healthy business environment of Cambria. You also help its schools, employment, recreation, aesthetics – all those things which help define the character of any community, and which make Cambria so special. The success of the Chamber of Commerce, the business community, and even the town itself, depends on active participation by those involved.

The difference is YOU. Your involvement with your community through the Chamber of Commerce helps your neighbors, your family, your associates, your church, your schools, your community, your business...and YOU!

The Board of Directors meets at 5:30 p.m. in the Chamber office on the third Tuesday of the month. The General Membership usually has four meetings a year. Chamber mixers are held approximately once a month.
