Bodega de Edgar

Bodega de Edgar is one of Paso Robles' only Spanish focused wineries, founded by Edgar and Erika Torres and rooted in authenticity, heritage, and genuine hospitality. Inspired by the natural connection between Spain's terroir and the Central Coast, they craft minimal intervention wines; Albariño, Tempranillo and other Spanish varietals that honor tradition while embracing Paso's vibrant spirit. Every bottle welcomes you to slow down and enjoy the moment.

LONE MADRONE TASTING ROOM & FAMILY

Lone Madrone is a family-run winery committed to crafting wines that honor their vineyard sites, vintages, and growers. Our estate vineyard and most of the vineyards we source from are organically farmed, dry-farmed, and head-trained, reflecting our dedication to sustainable practices and the stewardship of the land.

LONE MADRONE

Our mission remains steadfast: to produce authentic wines through native fermentation and respect for the winemaking craft. Inspired by the great European wine families, we are committed to staying family-owned and ensuring Lone Madrone thrives for generations to come.

We welcome you to a tasting to experience the heart of Lone Madrone—a celebration of family, tradition, sustainability, and community!

Bristols Handcrafted Ciders are now available at our Lone Madrone location, with cider tastings available daily.

Featured Artist: **Cindy Stiles**

Cambria artist Cindy Stiles finds daily inspiration in the beauty of Cambria and the California coastline. She has been painting since becoming an empty-nester in 2006 and over the years she has studied hard on her own and with recognized master artists in workshops throughout the United States. Early in her career she was recognized in an exhibit of emerging artists at the Bakersfield Museum of Art and she has had one-person shows at the Bakersfield Art Association, Cambria Center for the Arts and smaller venues.

Cindy admires and draws inspiration from the California Impressionists (today's as well as those from the past). She paints on Wednesdays with the Cambria Irregulars and almost daily in her studio. Her work can be seen at Monarch Gallery in Cambria as well as Cambria Center for the Arts.
